

PETERSHAM GUN CLUB

Sporting Clays Winter Fun League

The league will start on Sunday **December 16**, 2018 and run consecutive Sundays thereafter (weather permitting) ending on Sunday **April 14**, 2019. A Minimum of 9 scores will be required over the 18-week league to qualify. Your best 9 scores will be counted, and the **Lewis class system** will be used to determine winners. Prizes will be awarded in each Lewis class. The number of classes will depend on the total number of shooters enrolled, probably 5 or 6 shooters per class.

All participants will receive a really nice heavyweight sweatshirt, a shot at some enjoyable awards (shot shells/gift certificates) with bragging rights and a free dinner on the last Sunday of the league. **The league entry fee is \$40.**

League scores based on 50 targets each Sunday

50 Targets will be designated each Sunday as league targets and only those designated targets will count towards league scores.

Regular Sunday shooting fees apply.

Members: \$20 per person.

Nonmembers: \$25 per person.

Juniors: \$10 per person

As always, you can elect to shoot 100 targets. Cost is \$10 more per person.

Don't want to be locked into your 12 gauge all winter for sake of scores.

Here's a little incentive/compensation to bring out the sub-gauge guns.

Shoot your: **20ga** add 2 hits to your total, **28ga** add 3 hits, and **410ga** add 4 hits.

(Total score may not exceed 50 hits.)

We'll try to have hot food available each Sunday for a small fee.

Registrations will be accepted at the clubhouse now, through January 20th. This will allow even latecomers ample opportunity to get the minimum 9 scores in and allow us to get clothing orders placed in a timely manner.

Your scores won't count until you're registered, so sign up now.

Come on don't be lazy, get off that couch, come out in the cold

to shoot and have some fun.
